The obligations, indemnities and covenants contained in this paragraph shall survive the consummation or termination of this transaction.

TERMS AND CONDITIONS OF SALE (continued)

RECEIVING: The Buyer/receiver is responsible to insure that the correct product and number of pieces is being unloaded. The Buyer/receiver should also be verifying the serial numbers of the products they are removing from the trailer. All of the key information is provided on the packing slip. The transport providers understand that if a miss delivery happens, Carrier nor R.J. Murray Co., are not liable for crane charges, overtime, and other ancillary costs due to the receiving error. The Buyer/receiver has the responsibility to unload the correct part numbers and serial numbers, per the packing slip.

INSPECTION AND ACCEPTANCE: Claims for damage, shortage or errors in shipping must be reported within one (1) day following delivery to Buyer. Buyer shall have seven (7) days from the date Buyer receives any products to inspect such products and services for defects and nonconformance which are not due to damage, shortage or errors in shipping and notify Seller, in writing, of any defects, nonconformance or rejection of such products. After such seven (7) day period, Buyer shall be deemed to have irrevocably accepted the products, if not previously accepted. After such acceptance, Buyer shall have no right to reject the products for any reason or to revoke acceptance. Buyer hereby agrees that such seven (7) day period is a reasonable amount of time for such inspection and revocation. Buyer shall have no right to order any change or modification to any product or service previously ordered by Buyer or its representatives or cancel any order without Seller's written consent and payment to Seller of all charges, expenses, commissions and reasonable profits owed to or incurred by Seller. Specially fabricated or ordered items may not be canceled or returned, and no refund will be made. The sole and exclusive remedy for merchandise alleged to be defective in workmanship or material would be the replacement of the merchandise subject to the manufacturer's inspection and warranty.

RETURNS: Buyer may return any product which Seller stocks with no restocking charge if: (i) it is in new condition, suitable for resale in its undamaged original packaging and with all its original parts and (ii) it has not been used, installed, modified, rebuilt, reconditioned, repaired, altered or damaged. Buyer's surplus job returns, and those not meeting (i) and (ii), above, will be evaluated on an individual basis after Buyer has contacted Seller's authorized representative for prior written permission. Special orders or non-stock items may be returned if the manufacturer will accept the return. Except for items Seller stocks which meet (i) and (ii), above, credit memoranda issued for authorized returns shall be subject to the following deductions: (a) cost of putting items in salable condition; (b) transportation charges, if not prepaid; and (c) handling and restocking charges. Written authorization is required on all new returns.

SHIPMENTS: All products are shipped F.O.B., point of shipment. Risk of loss shall transfer to the Buyer upon tender of goods to Buyer, Buyer's representative, or common carrier. The cost of any special packing or special handling caused by Buyer's requirements or requests shall be added to the amount of the order. If Buyer causes or requests a shipment delay, or if Seller ships or delivers the products erroneously as a result of inaccurate, incomplete or misleading information supplied by Buyer or its agents or employees, storage and all other additional costs and risks shall be borne solely by Buyer. Claims for products damaged or lost in transit should be made by Buyer to the carrier, as Seller's responsibility ceases upon tender of goods to Buyer, Buyer's representative or common carrier.

SHIPMENTS Via Our Truck: If the Seller's truck cannot make it to the Buyer's delivery location, then it is up to the Buyer to take delivery elsewhere (at their shop, parking lot, etc.) or our driver will bring the stuff back to our location. The Buyer will be charged back charges for any additional time the Seller's driver has to wait for any alternative delivery options. If another option cannot be made at that time, the Buyer will be responsible for any additional costs associated with returning the product to our location or in receiving the product in a 2nd attempt either via the Seller's truck or a 3rd party. The Seller's truck has the same specs as a standard Penske moving truck. It has a 24 foot box, is 12 ft. 6 inches high and 102 inches wide. It has a gvw of 26,000 lbs. Our driver is not to take the truck to areas that it may become damaged or that will break any laws. It is up to the Buyer to make sure the delivery location is free and clear of any obstacles that can cause damage or impede delivery (low branches, low bridges or roads with low weight allowances or no delivery traffic allowed). If the delivery location is not safe enough, cleared enough or legal to accommodate a "standard moving truck" then the Buyer needs to make other arrangements to take delivery.

TAXES: Customers are responsible for all applicable taxes, as law requires. We reserve the right to add tax where applicable if not charged on initial invoice.
